## How many bedrooms are you looking for?

---

No doubt you'll know the answer to that. But it's the answers to the questions you may not have even thought about, that make the real difference. At Shelbourne Estates, we go beyond the obvious, reflecting on every last detail to create homes with craft and consideration built into their very fabric.

In the following pages you'll discover our dedication to quality, passion for elegant interiors, and of course what makes Woodbeck your ideal new home. We think you'll love it just as much as we do.

---

## Introducing Woodbeck

---

Tranquillity and connectivity. A sense of community amid conservation. This is what you can look forward to at Woodbeck, where beauty surrounds you, both inside and outdoors. A collection of 23 carefully considered 4 and 5 bedroom homes each offering something unique, it's the perfect size to feel a real belonging among like-minded neighbours.

With vast open spaces and vibrant market towns on your doorstep, you're able to live modern life in perfect balance, while the attention to detail and exacting specification of each home at Woodbeck means you can enjoy all the luxuries that a new home brings.

---

## A slice of local life.

---

One of the most obvious and attractive features of life at Woodbeck is the spectacular skyline, which is dominated by the historic Peel Monument on Holcombe Moor. It's a constant reminder of the area's rural, stark beauty, while the nearby Irwell Sculpture Trail adds echoes of a more industrial past.

The charming nearby town of Ramsbottom reflects this balance; picturesque and neighbourly, but with a distinct warmth for its roots. The East Lancashire railway goes through the town and typifies a quintessentially English feel - a chance to step back in time in stunning scenery.

That's not to say the area is old-fashioned, with its thriving foodie scene and even two eateries boasting the ultimate culinary accolade; the Michelin Star. You'll also find all the amenities you'd expect from a vibrant modern town. Less than 5 miles away is the busy town of Bury, offering a more active option to complement the idyllic quiet of life at Woodbeck.

---

## All the right connections.

---

While nestled in your own oasis of tranquillity at Woodbeck, you're anything but isolated. The M66 is less than 10 minutes away, giving you direct access to the M62 and M60, bringing the cities of Leeds and Manchester within easy reach. Liverpool is also accessible in little over an hour, meaning your home is the perfect hub for work or pleasure.

Closer to home, there are all the excellent amenities you would expect for contemporary living; excellent schools and colleges, plus shopping, gyms and leisure facilities.

While a host of museums and attractions provide plenty of inspiration, ultimately it's the majestic local countryside that is the undisputed main attraction; one that you'll return to time and again.

---

Woodbeck. A place to belong.

---

Every part of the  
home has a story.

---

We regard the people who make our homes as Thoughtful Creators, and they carefully consider every element, right down to the materials we choose and the suppliers we trust. We work with architects, designers and stylists to retain craftsmanship at the heart of everything we do; inside and out, all judged against two criteria - looks and longevity.

It means you can surround yourself with style, in the knowledge that your home will continue to look beautiful for years to come.

---

## Exacting standards, as standard.

---

The unmistakable excellence of a Shelbourne home is evident everywhere you look, and our attention to detail results in a quality that you'll discover over and over again. A specification that is a cut above comes as standard, with fixtures and fittings from world-renowned brands.

Siemens appliances, plus Franke granite sinks and designer taps are eye-catching kitchen features, while we just love the concealed two-way thermostatic showers with Raindance Head by VADO.

But many find that it's the little touches - like chrome taps or traditional panelling - that go a long way to making their home well beyond the ordinary.

## Discover Woodbeck

Every care is taken to ensure the development complements the surrounding area, and so Woodbeck is perfectly at home in the village surroundings of Holcombe Brook, on the outskirts of Ramsbottom. A small, intimate collection of just 23 houses, each home has its own driveway to keep roads clear, an effect further enhanced by the fact that the road is fully enclosed.

We also seek to be sympathetic to the natural environment, particularly important as Woodbeck lies within Holcombe Conservation Area, with local nature reserve Redisher Wood accessible by a footpath adjacent to the development.

At Shelbourne Estates we build with every resident in mind, even the hedgehogs. We created special hedgehog highways so they could toddle about more safely.
